

Our response to COVID-19

Further to the recent announcement by the Cyprus Government our firm has deployed its Business Continuity Plan. Using technology and cybersecurity, as of Monday 16 March 2020 and until further notice, our staff will be working remotely from home during regular working hours. We have taken all the steps needed at all levels in order to operate uninterrupted and continue providing clients with the same responsiveness, expertise, and experience.

With the continuing spread of COVID-19 we would like to assure you that Belifor is focused on the health and wellbeing of our employees, stakeholders, clients, and the public at large. Also, we would like to assure our clients of our ability to provide a continuous service and assisting with the several issues related to the impacts of COVID-19 that are affecting all sectors.

For all those that have been impacted directly by the virus, our thoughts are with you.

For any further information please contact us on info@belifor.com
